

PETRELA WINTER WELCOMES PETER TOOLE

Petrela, Winter & Associates is pleased to announce the addition of Peter Toole as Vice President, Insurance Practice Leader.

As an accomplished and well respected veteran of the insurance industry on both the underwriting and broker side of the business - and specializing in construction insurance his entire career - Peter is an excellent addition to lead Petrela Winter's growing construction insurance practice.

Peter is a graduate of St. Thomas University and holds the Chartered Insurance Professional and Canadian Risk Manager designations.

The addition of Peter Toole strengthens Petrela Winter's commitment to providing construction contractors and developers with industry leading surety and insurance expertise and added value.

Please join us in welcoming Peter aboard!
