## PWA Launching Ottawa Office

Petrela, Winter & Associates (“PWA”) has finalized plans to establish a branch office in Ottawa in Q1 of 2024.

We are extremely proud of our history and client relationships in the Ottawa region, dating back to the earliest days of our firm over 40 years ago, and our physical expansion into the Nation’s Capital reinforces our longstanding commitment to serving the construction and development communities in Ottawa and Eastern Ontario.

Leading the branch is Alexander Petrela, who is relocating to Ottawa with his young family to build on his successful career as a specialized construction insurance broker, offering PWA’s industry-leading value proposition to the region’s contractors and developers.

Alexander may be reached via email at [apetrela@petrela.com](mailto:apetrela@petrela.com) or by direct phone at 647.334.1371.

More details to follow shortly!

**Petrela, Winter & Associates, a Navacord Broker Partner, is a specialized commercial brokerage focused exclusively on serving the surety, insurance and risk management needs of the construction and real estate development industries. PWA is dedicated to providing discerning contractors and developers with industry leading service, expertise and added value, backed by the resources and scale of Navacord, a top Canadian commercial insurance brokerage and leader in the construction segment.**
